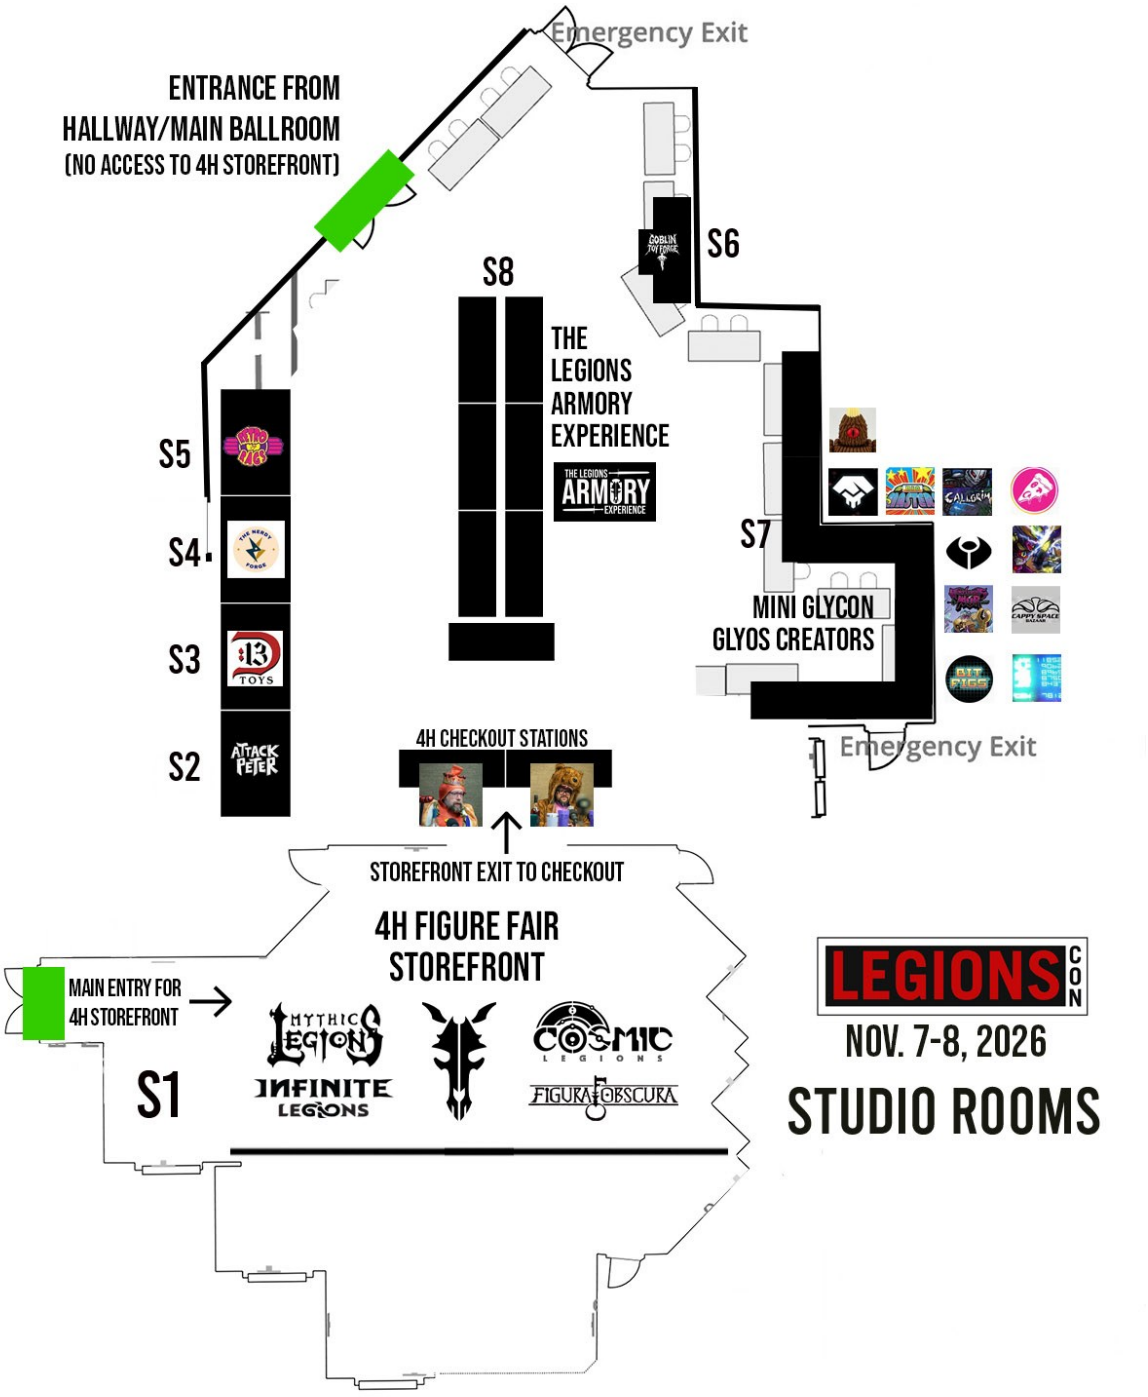
Notes:

This map shows the main ballroom for LegionsCon 2026. This is the Community Room, featuring the bulk of the exhibitors for this event including many of the artists and creators from our community and a number of toy companies as part of our "Independent Toy Creator Showcase".



Notes:

This map shows the “Studio Rooms”. There will be a line in the hallway to enter the “4H Figure Fair Storefront”. Once you select your items for purchase, you will exit the room to the checkout stations where you can also see the rest of the exhibitors in that room, including those connected to the studio and the Glyos makers of Mini Glycon!

To access *only* the exhibitors of the Studio Room, you can also enter via the door across from the main ballroom. That entrance is also where the “Legions Armory Experience” will have a line set up to access that experience.

ADDITIONAL SPACES

The Community Room, Studio Rooms, and Hallway can both be found on the 1st floor of the Hanover Marriott.

There will also be a number of "after hours" events that take place on the 1st floor, including the Charity Raffle and "Pop and Swap Parts Exchange" on Saturday night.

The 1st floor lobby spaces and hallways are also where you will find the 4H displays, including the life-size character statues and prototype cases.

Select sessions will also take place on the 3rd floor of the hotel. Any sessions being held on the 3rd floor will be clearly labeled as such in the show schedule. We will also have some exhibitors, most of them first timers at LegionsCon, on this floor! To access this space, take the elevator to the 3rd floor and take a right out of the elevator section down the hall to the hotel's conference rooms.
